DEDICATION

We the Class of 1974, with love and admiration, dedicate this edition of LES MEMOIRES to you, Mr. Gary Laubach.

You counseled and advised us in our time of need, and you brought humor, warmth, and understanding into our lives. You devoted many hours of teaching, working, and having fun with us.

For all of these things and many more, we say with deepest gratitude, Thank You!

In Memoriam

We linger here a little while,
And then are gone
Like ghostly dews that disappear
When comes the dawn,
And like the flaming dawn that dies,
Before the day,
Which fades, when darkness falls, we too
Soon pass away.

But since the dew returns to kiss
The trembling grass,
Since darkness comes and dawning makes
The shadows pass,
I laugh at Death for when I go
From hill and glen,
I know that I shall leave this day
To live again.

Edgar Daniel Kramer

Mike Mulcahy

Mike came to Wilson as a foreign exchange student from Sidney, Australia on January 13, 1973. During his stay here he lived with several different families, the last one being the Slicks.

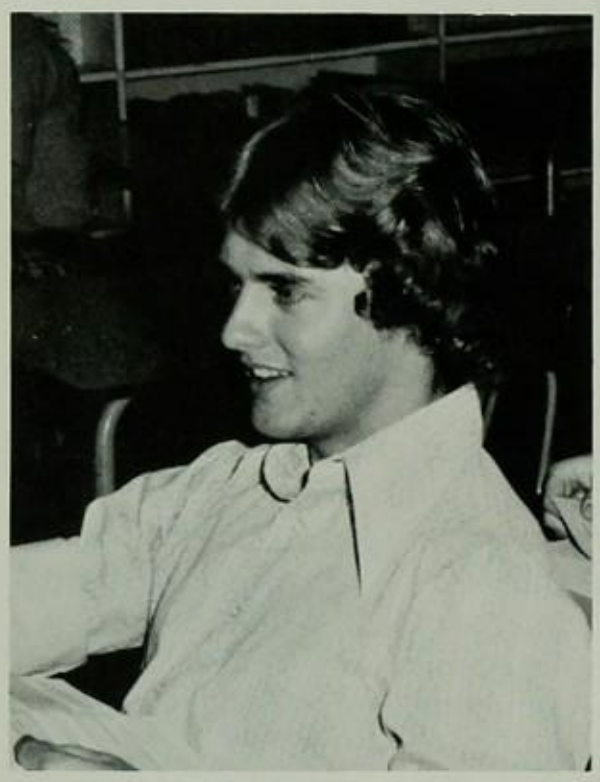
This summer Mike went on a tour of the U.S., citing some of his favorite places as New Orleans, Chicago, San Francisco, the Grand Canyon, and Yosemite National Park. He feels the U.S. is very beautiful and the people are friendly. Mike thinks that people overseas tend to consider U.S. citizens as unfriendly, and feels that these opinions could be changed if they would have a chance to meet some people from here.

Some of Mike's favorite memories of Wilson are Mr. Laubach's English classes, football games, and wrestling meets. He feels that school in Australia is more strict, and there are not as many extra curricular activities available there.

Mike says that we eat too many hot dogs and hamburgers, and lists his favorite foods he tried here as marshmallow fluff, pigs-in-a-blanket, and shoo-fly pie.

Mike left Wilson on January 9, 1974. He will not graduate in Australia until November, 1975. When he finishes school he plans to study architecture at the University of Sidney.

Mike would like to thank all of the students and teachers at Wilson for making his stay an enjoyable one.



The Warrior Band went hunting for national honors during the Lions International Convention in Miami. The Lions Club's legendary blue ribbon for best high school band floated over Wilson High School's Warrior Band, conducted by William Curnow.

They arrived home No. 1 among the 35 high school bands in the competition, and third of all 53 groups taking part. They also took third place in competition for musical aggregations, competing against 52 entries. The band's twirlers placed second in the international competition.

Thousands of anxious band fans lined Northampton Street to welcome the band home. Tired and hot from several hours on the road, and delayed by a flat tire, the 140 band members, twirlers and advisors arrived in Wilson about 9 p.m. Tuesday, July 3. After stepping from the four buses, the Warriors grabbed their instruments and marched victoriously to the park.

This great honor was the result of two years of grueling work in the rehearsal room and on the field including daily and occasional twice-daily practice sessions prior to departure for Miami. Also, in their two years of effort, the Wilson band boosters raised $27,000 to help send the musicians and twirlers to Miami.

This fall, when they took the field to begin the 1973-74 season, the admiration of their peers for this memorable honor was known to all.

1974 Senior Poll

Lori and Kenny, our good natured seniors,
always have a friendly greeting
and a smile for
everybody.

Karen's and Terri's artistic talent rivals
that of the famed Picasso and
Michaelangelo!!

Santa brought Mike a curling iron for Christmas
as testified by having the
curliest hair in
school.

After letting their hair grow for 17 years,
Sue and Don finally got
an award for their
efforts.

Even with Joe's platform shoes and Bic's flat feet,
they'll still never see
eye to eye.

Cindy's and Ron's continuous snickers, hoots
and howls can be heard throughout
the building on any school
day.

Even in these inflationary times, Elain and Dave
won't have any trouble
making their
millions.

Linda and Jeff, our most athletic seniors,
are our choice to go to
the Olympics in
1976.

To talk or not to talk is not the question
with Lynn and Ed. It is
what to talk
about.

Kay and Howard, our most intelligent seniors,
crack the books as they try to crack
the secrets of life.

No one who has had the experience of seeing and hearing the Wilson Borough High School Band and Chorus can have any doubt that these two groups possess some exceptionally fine talent. Among those recognized for their talent are as follows:

Gayle Wieand, Mike Coyle, Joe Roccaro, Charles Snyder, Ed. McQuillin, and Dave Walters became District Band Members, while Gayle, Dave, and Mike succeeded in becoming members of District Orchestra. However, the competition was not yet over as Gayle, Mike, and Joe continued on to become members of Regional Band, with Gayle and Mike ably overcoming all competition by becoming, finally, members of Regional Orchestra.

In the vocal department, Gale Young, Gayle Wieand, Diane Simonetta, and Marge Deemer made District Chorus, with Gayle, Diane, and Marge becoming members of Regional Chorus. And Pam Campbell became a member of All-State Chorus

Congratulations to all! Wilson Borough High School is most proud of you all.

SOCCER

The men who took to the soccer field this fall handed in a valiant, but inexperienced season. From the opening kickoff of the humid Saucon Valley game to the waning minutes of the frigid Emmaus night match, the Warriors gave 100%. A few of the season's highlights came with a 2-1 overtime victory over Southern Lehigh; when Jim Eckert turned to fistacuffs against Easton; and J.R. Schroeder was elected to All-League center half.

It was an enjoyable year for the Warriors, and the booters enjoyed kicking their opponents around the field.

HOCKEY

To be #1 was only an arms length away, but it slipped through the Warriorettes' fingers when they were defeated by their first place rival—Parkland.

However, one defeat didn't dampen the Hockey Team spirit, as it thrust onward toward the big game against Southern Lehigh—the Warriorettes' second place adversary.

During the Solehi match, the weather was crisp, only stirring the girls' enthusiasm even further. The result, however, was a Southern Lehigh victory.

A truly fine team, though, is always a winning team in the truest sense of the word, and Ms. Paul, through her warm and winning personality had a winning team.

Contemplation.

FOOTBALL

The gridiron team of 1973 was composed of highly competitive, fierce, rugged, head-splitting, arm twisting, back breaking young men. A murderous line averaging 205 lbs. crushed the opponents defenses week after week. Our awesome backfield led by speedster Jeff Lilly tormented the opposition constantly.

It was a fine season even though there were a few low spots, and we are sure that it was enjoyed by all.

ALL-STATE SOCCER

Again this year a son of Wilson High achieved the recognition of All-State Soccer player under the direction of Coach Benner. His name—J.R. Schroeder. One of our more fun-loving, enthusiastic, and intelligent students, J.R. was quite active in athletics as seen by his participation in the sports of Soccer, Wrestling, and Volleyball. Surely, one does not become an All-State Champ without drive and ambition. And we can rest assured that through these characteristics, Coach Benner and J.R. Schroeder were able to receive their much coveted honor. Congratulations!

ALL-STATE CHORUS

Pam Campbell, under the able direction of Ms. Roberts, has been a definite asset to the Wilson High Chorus, due to her melodious voice. However, no innate talent can be excelled without much hard work and perseverance; and Pam is no stranger to work and perseverance. As a result of her endeavors, she not only has become an accomplished musician, but she also has been honored this past school year as a member of All-State Chorus. Congratulations to Pam from Wilson Area High School, and best wishes to her in her chosen field of music.

ALL-STATE WRESTLER

Throughout the history of Wilson High School Wrestling, no one young man has ever become a State Champion—until this year. The young man's name—Joe Butto. This 126 pound athlete, through hard work, concentration, and excellent direction from Coach Walters, achieved much sought after success. He survived sectional competition, district competition (1973 Outstanding Wrestler), regional competition, and finally, state competition, with relative ease. Wilson is most proud of Coach Walters and Joe Butto.

This year our cheering squad consisted of fourteen members led by co-captains Sue Fetherman and Renae Mendall. Under the advisement of Miss McHugh, these girls could always be seen cheering our school onto victory.

This summer the girls went to Pocono Sports Camp where they won the Coca-cola Award for being district champions. I'm sure that we are all very proud of our cheering squad and that we are glad that they represent our school.
